#### [Verse 1]

I stay out too late 

Got nothing in my brain  5

That's what people say, mmm  5

That's what people say, mmm

I go on too many dates  5

But I can't make 'em stay  5

At least that's what people say, mmm  5

That's what people say, mmm

#### [Pre-Chorus 1]

But I keep cruisin' 

Can't stop won't stop moving  5

It's like I got this music in my mind  5

Saying it's gonna be alright  5

#### [Chorus]

Cause the players gonna play, play, play, play, play 

And the haters gonna hate, hate, hate, hate, hate baby  5

I'm just gonna shake, shake, shake, shake, shake  5

Shake it off, I shake it off

Heart breakers gonna break, break, break, break, break 

And the fakers gonna fake, fake, fake, fake, fake baby  5

I'm just gonna shake, shake, shake, shake, shake  5

Shake it off, I shake it off

# Shake It Off

## [Verse 2]

I never miss a beat  
I'm lightening on my feet  
And that's what they don't see, mmm  
That's what they don't see, mmm  
I'm dancing on my own (dancing on my own)  
I'll make the moves up as I go (moves up as I go)  
And that's what they don't know, mmm  
That's what they don't know, mmm

## [Post-Chorus]

Shake it off, I shake it off, I I  
I shake it off, I shake it off, I I  
I shake it off, I shake it off, I I  
I shake it off, I shake it off

## [Interlude]

\*tap guitar to the beat\*  
(ingen akkorder)  
Hey, hey, hey, just think  
While you've been gettin' down and out  
About the liars and dirty, dirty cheats of the world  
You could've been gettin' down to this sick beat

## [Bridge]

My ex man brought his new girlfriend  
She's like "Oh my God"  
I 'm just gonna shake it  
To the fella over there with the hella good hair  
Won't you come on over baby we could shake shake shake

## [Chorus]

## [Post-Chorus]
